
This reader/rhetoric emphasizes the argumentative strategies readers need to analyze and write arguments. At the same time, it helps users see that Americans have always defined themselves and maintained a sense of unity “despite great diversity” through ongoing public debate about what America means. Selections reflect colonial times to the present, and include posters, photographs, advertisements, and court cases in addition to essays, poems, and stories that represent arguments in American culture, the art and craft of persuasion, writing essays, integrating research into writing, American dreams, justice and civil liberties, frontiers, war and violence, work and play, and family, identities. For those interested in argumentative and persuasive writing.
